

CERTIFICATE OF RECYCLING

Client Name:

Job Order #:

Collection Date:

Total E-waste Recycled

This document is a formal confirmation that the electronic waste assets received by RCube Solutions have been recycled in an appropriate, ethical and environmentally responsible manner in accordance with nationally accredited recycling standards for the decommissioning of electronic waste.

RCube Solutions releases the customer from all liabilities related to the safe collection and recycling of the document load.

RCube Solutions promotes the sustainable management of end-of-life materials and certifies that all assets disposed have been recycled in full accordance with modern ISO-approved standards and all relevant government legislation.
